

Leccio
we make bathrooms beautiful

PROJECTS DIVISION
COMPANY PROFILE

VISION

As leaders in the African sanitaryware industry, to be a company that serves our customers and treats all our people and partners with loyalty, professionalism, care & excellence.

To be an internationally recognised brand that is acknowledged for our superlative quality standards.

MISSION

To ensure that our customers become loyal advocates of the brand by always being committed to the highest standards of customer service, integrity and professionalism.

To harness the excellence of our people, and to be supportive of them and their families by offering opportunities for advancement and development.

PHILOSOPHY

Through managing our customers' experience, we ensure that every customer becomes a loyal advocate of the brand

LECICO IS ONE OF THE LARGEST SANITARY WARE PRODUCERS IN THE WORLD

We have factories in Alexandria (Egypt), and we also source top-class products from leading manufacturers in Europe, Asia, as well as from South Africa. Lecico manufactures a range of internationally-certified sanitary ware products sold both under the Lecico brand as well as for other manufacturers and customers under their own brands in over 50 countries.

Through our thoughtful and expansive curated product ranges, Lecico South Africa has proudly earned our place as industry leaders in the bathroom and sanitaryware industry.

WHY CHOOSE LECICO?

WE:

- Manufacture and source the highest possible quality products
- Offer comprehensive product warranties on all our products
- Have a wide variety of product solutions – toilets, basins, urinals, bidets, furniture, baths, & showers
- Provide product ranges according to budgetary, aesthetic, space, and end-user requirements
- Offer accessible, safe, and attractive bathroom solutions for people with different mobility and accessibility needs
- Ensure seamless and easy order fulfillment and delivery
- **Have our very own Projects Division to assist with all your specifications needs**

SPECIFICATION PLATFORMS

With our specialist Projects Division, we help project practitioners realise their project visions and briefs with our in house specifications' capabilities.

Save time on your specifications by getting super-easy access to valuable information, expert advice, and detailed technical specs in a variety of formats.

Access accurate information via the expertise and skill of our Specifications Experts who liaise with project practitioners either in person or digitally.

All essential product information can be found on one of two Specifications Platforms:

AutoSpec®

Lecico SpecEasy
